The following pages outline general questions and performance measures for the Bureau of Justice Assistance (BJA) Adult Discretionary Drug Court Grant Program (Drug Court Program). The Drug Court Program is designed to build and/or expand capacity at the state, local, and tribal level to reduce crime and substance abuse among high-risk, high-need offenders. The performance measures indicate to what extent grant activities meet the following objective:

Implement, improve, enhance, and/or expand drug court services to reduce substance use and recidivism of drug court participants.

The Drug Court Program performance measures are reported in two formats—quantitatively (numeric) and qualitatively (narrative responses). The quantitative data are entered in the BJA Performance Measurement Tool (PMT) for each quarterly activity period, referred to as a reporting period. The qualitative data consist of seven open-ended questions reported in July and January of each calendar year based on activities that occurred during the previous 6-month period. The activities that are entered are specific to the grant being reported.

NOTE: Data entry and reporting in the PMT began with an initial pilot period of measures in October 1, 2011. Subsequently, measures were revised, and data collection and reporting on the finalized measures begins with the October 1 to December 31, 2012, reporting period. Succeeding data entry will occur quarterly, with a 30-day submission period following the close of the reporting period.

In addition, in July and January of each calendar year, the grantee (or direct recipient of funds from BJA) is responsible for creating the GMS Report from the PMT to upload into the Grants Management System (GMS). During the nonsubmission periods, you are encouraged to create this report for your records.

If you have questions about your program, please contact your State Policy Advisor (SPA) at http://www.ojp.usdoj.gov/BJA/resource/ProgramsOffice.html.

Your response to the questions that follow must be entered in the PMT located at https://bjapmt.ojp.gov. If you have any questions about the PMT or performance measures, please call the BJA Performance Tools Help Desk at 1-888/252-6867, or send an e-mail to bjaapmt@usdoj.gov.

PLEASE NOTE: THE INFORMATION REPORTED IN THE PMT SHOULD BE BASED ONLY ON BJA-FUNDED ACTIVITIES.

PROGRAM-LEVEL MEASURES

Amount of Services Added

11. Were your BJA program funds used to add **inpatient** treatment slots during the reporting period? A *drug court slot* is a space or position used to determine the number of individuals who can be provided services based on available staff and program funds to deliver services. Inpatient services *are* services provided in a residential facility.
   A. Yes ____
   B. No ____
   C. If yes, please enter the number of inpatient treatment slots added during the reporting period as a result of this grant. ____

12. Were your BJA program funds used to add **outpatient** treatment slots during the reporting period? A *drug court slot* is a space or position used to determine the number of individuals who can be provided services based on available staff and program funds to deliver services. Outpatient services *are not* provided in a residential facility.
   A. Yes ____
   B. No ____
   C. If yes, please enter the number of outpatient treatment slots added during the reporting period as a result of this grant. ____

13. Were your BJA program funds used to add staff who provide **new case management or offender supervision services** during the reporting period? Please only report new staff added during the reporting period in which they started offering services to the program (i.e., the reporting period in which they started work).
   A. Yes ____
   B. No ____
   C. If yes, please enter the number of case management or offender supervision staff added during the reporting period as a result of this BJA program funding. ____
Amount of Services Delivered

14. Were your BJA program funds used to provide **substance abuse treatment services** to drug court participants during the reporting period? *For example, these services might include clinical assessment, residential, outpatient group, outpatient individual, intensive outpatient, outpatient detoxification, addiction receiving facility, substance abuse detoxification (residential), in-home counseling, and aftercare.*
   
   A. Yes ____
   B. No ____
   C. If yes, please enter the number of **NEW drug court participants** who received substance abuse treatment services during the reporting period. _____

15. Were your BJA program funds used to provide **inpatient substance abuse treatment services** during the reporting period?
   
   A. Yes ____
   B. No ____
   C. If yes, please enter the total number of days delivered for inpatient services during the reporting period. _____

Medication Assisted Treatment

The following questions ask about any Medication Assisted Treatment (MAT) participants 
may be receiving within your program during the reporting period. BJA supports the right of 
individuals to have access to appropriate MAT under the care and prescription of a physician. 
BJA recognizes that not all communities may have access to MAT due to lack of physicians 
who are able to prescribe and oversee clients using anti-alcohol and opioid medications.

18. If your treatment program includes medication assisted treatment (MAT), which of the 
   following medications are you utilizing, regardless of BJA funding? Check all that apply. 
   A. ____ We do not provide MAT (Skip next question) 
   B. ____ We do not have access to MAT (Skip next question) 
   C. ____ Naltrexone (Vivitrol®, depot naltrexone) 
   D. ____ Buprenorphine or Buprenorphine/Naloxone (Bup/NX) (Suboxone®,) 
   E. ____ Methadone 

19. Of the total participants enrolled in your program, how many were deemed eligible for 
   medication-assisted treatment (MAT) and of those eligible, how many received MAT 
   during the reporting period?  
   A. Individuals Eligible for MAT: _____
   B. Individuals receiving at least one MAT treatment: _____
PARTICIPANT-LEVEL MEASURES

Screening and Program Intake

20. Please enter the number of drug court candidates who were screened during the reporting period. Drug Court candidates are those identified at the time of arrest or referred by criminal justice professionals (i.e., prosecutor, defense attorney, probation officer, judge, etc.) but who may not necessarily be deemed eligible for participation. A screening determines eligibility and appropriateness for participation in a drug court.
   A. Number of drug court candidates who were screened during the reporting period _____

21. Of those screened, please enter the number of individuals who did not enroll in the Drug Court program during the reporting period.
   A. Number of individuals who did not enroll in the Drug Court program during the reporting period. ______

22. Of those screened and did not enroll in the Drug Court program, please enter the number of such individuals based on the following categories. If an individual falls into multiple categories, please select the category that best applies.
   A. Participant Refused Entry____
   B. Prosecutor Objection___
   C. Defense Objection___
   D. Judicial Objection___
   E. Out of Jurisdiction___
   F. Arrest, Conviction, or Incarceration on Another Charge___
   G. No Drug Problem___
   H. Exclusionary Prior Non-Violent Offense___
   I. Violent History___
   J. Mental Health Diagnosis that Cannot be handled by the Court___
   K. Insufficient Risk (Low Risk)____
   L. Ineligible for VA services_______
   M. Accident involving injury_____ 
   N. Candidate did not complete screening__
   O. Candidate waiting for program slot (will enroll in a subsequent quarter)____
   P. Other____
   Q. If other, please explain __________________________________________
23. Of those **screened and did not enroll** in the Drug Court program, please enter the number of such individuals based on the following demographic information. Enter the **race**, **ethnicity**, and **gender** of each individual determined to be ineligible for Drug Court participation during the reporting period. The number entered should be an unduplicated count, and the sum of each demographic group should equal the number of individuals who did not enter the Drug Court program. If not, please check for data entry error. Hispanics or Latinos should be counted in the race category that best describes their racial identity, including White, Black or African American, Asian, American Indian or Alaska Native, Pacific Islander or Native Hawaiian, or Multiracial. Please see census.gov if you have any questions regarding classifying race.

A. Enter the **ethnicity and gender** of those **screened and did not enroll** in the Drug Court program.

Alcohol and Substance Involvement

37. Of those enrolled in the Drug Court program at least 90 days, please enter the total number of participants tested for alcohol, non-prescribed medications, or illegal substances during the reporting period. This should represent the total number of drug court participants who were tested for the presence of alcohol or illegal substance use. The number entered should be an unduplicated count only of participants enrolled in the program at least 90 days who were tested for alcohol or illegal substances, and it should be equal to or greater than the number of participants who tested positive. If not, please check for data entry error.

38. Of those enrolled in the Drug Court program at least 90 days, please enter the number of participants who tested positive for the presence of alcohol, non-prescribed medications, or illegal substances during the reporting period. The number entered should be an unduplicated count only of participants enrolled in the program for at least 90 days who tested positive for alcohol, nonprescribed medications, or illegal substances, and it should be equal to or less than the total number of participants tested. If not, please check for data entry error. Alcohol and substance use information should be based on documented tests rather than self-reported information from program participants. Include all participants who received services during the reporting period, regardless of whether they successfully completed the program, exited the program without completion, or are currently enrolled in the Drug Court program.
   A. Number of participants who tested positive for the presence of alcohol, non-prescribed medications, or illegal substances during the reporting period _____

COURT AND CRIMINAL INVOLVEMENT

The next set of questions is about court and criminal involvement for Drug Court Program participants. Note that individuals can be included in more than one category. For example, a Drug Court participant could be arrested and have a conviction; thus, the individual should be counted in both categories. If an ex-offender has multiple arrests or convictions, only count that individual once. This section is to be completed at the close of the grant. These questions will appear and go into effect starting with the January to March 2013 reporting period.

39. Since the start of this BJA program funding, please enter the number of participants who:
   Are still participating in the Drug Court program? _______________
   Have successfully completed the Drug Court program? ____________
   Exited the Drug Court program unsuccessfully? ________________
40. Since the start of the BJA award, enter the total number of participants who have had a criminal court and/or criminal involvement event. A participant can be counted in more than one category (i.e., an individual can have an arrest and a conviction). However, do not count the frequency of events (i.e., number of arrests and convictions). Pending charges that the individual had before entering the program should not be counted. New charges that are dropped and/or not prosecuted should not be counted.
