

BUREAU OF JUSTICE ASSISTANCE
ADULT DISCRETIONARY DRUG COURT PROGRAM—IMPLEMENTATION
PERFORMANCE MEASURES

The following pages outline general questions and performance measures for the Bureau of Justice Assistance (BJA) *Adult Discretionary Drug Court Grant Program (Drug Court Program)*. The Drug Court Program is designed to build and/or expand capacity at the state, local, and tribal level to reduce crime and substance abuse among high-risk, high-need offenders. The performance measures indicate to what extent grant activities meet the following objective:

Implement, improve, enhance, and/or expand drug court services to reduce substance use and recidivism of drug court participants.

The *Drug Court Program* performance measures are reported in two formats—quantitatively (numeric) and qualitatively (narrative responses). The quantitative data are entered in the BJA Performance Measurement Tool (PMT) for each quarterly activity period, referred to as a reporting period. The qualitative data consist of seven open-ended questions reported in July and January of each calendar year based on activities that occurred during the previous 6-month period. The activities that are entered are specific to the grant being reported.

NOTE: Data entry and reporting in the PMT began with an initial pilot period of measures in October 1, 2011. Subsequently, measures were revised, and data collection and reporting on the finalized measures begins with the October 1 to December 31, 2012, reporting period. Specifically, data entry and reporting in the PMT will begin on January 1, 2013. Succeeding data entry will occur quarterly, with a 30-day submission period following the close of the reporting period.

In addition, in July and January of each calendar year, the grantee (or direct recipient of funds from BJA) is responsible for creating the *GMS Report* from the PMT to upload into the Grants Management System (GMS). During the nonsubmission periods, you are encouraged to create this report for your records.

If you have questions about your program, please contact your State Policy Advisor (SPA) at <https://www.bja.gov/About/Contacts/ProgramsOffice.html>.

Your response to the questions that follow must be entered in the PMT located at <https://bjapmt.ojp.gov>. If you have any questions about the PMT or performance measures, please call the BJA Performance Tools Help Desk at 1-888/252-6867, or send an e-mail to bjapmt@usdoj.gov.

PLEASE NOTE: THE INFORMATION REPORTED IN THE PMT SHOULD BE BASED ONLY ON BJA-FUNDED ACTIVITIES.

Medication Assisted Treatment

The following questions ask about any Medication Assisted Treatment (MAT) participants may be receiving within your program during the reporting period. BJA supports the right of individuals to have access to appropriate MAT under the care and prescription of a physician. BJA recognizes that not all communities may have access to MAT due to lack of physicians who are able to prescribe and oversee clients using anti-alcohol and opioid medications.

25. If your treatment program includes medication assisted treatment (MAT), which of the following medications are you utilizing, regardless of BJA funding? *Check all that apply.*

- A. _____ We do not provide MAT (Skip next question)
- B. _____ We do not have access to MAT (Skip next question)
- C. _____ Naltrexone (Vivitrol®, depot naltrexone)
- D. _____ Buprenorphine or Buprenorphine/Naloxone (Bup/NX) (Suboxone®,)
- E. _____ Methadone

26. Of the total participants enrolled in your program, how many were deemed eligible for medication-assisted treatment (MAT) and of those eligible, how many received MAT during the reporting period?

- A. Individuals Eligible for MAT: _____
- B. Individuals receiving at least one MAT treatment: _____

If not, please check for data entry error. Alcohol and substance use information should be based on documented tests rather than self-reported information from program participants. Include all participants who received services during the reporting period, regardless of whether they successfully completed the program, exited the program without completion, or are currently enrolled in the Drug Court program.*
- A. Number of participants who tested positive for the presence of alcohol or illegal substances during the reporting period _____

COURT AND CRIMINAL INVOLVEMENT

The next set of questions is about criminal involvement for Drug Court program participants. Note that individuals can be included in more than one category. For example, a Drug Court participant could be arrested and have a conviction; thus, the individual should be counted in both categories. If an ex-offender has multiple arrests or convictions, only count that individual once. **This section is to be completed at the close of the grant.**

35. Since the **start** of this **BJA program funding**, please enter the number of participants who:
- A. Are still participating in the Drug Court program? _____
- B. Have successfully completed the Drug Court program? _____
